

Making a Difference for Families **Today**

Connect a community of 275,000 caregivers, families, and friends with one another for support, advice and community through Facebook page and 16 support groups.

Bring over 4,000 people to our Family Weekend across 17+ Great Wolf Lodge locations to meet new and old friends.

Provide families with the latest evidence-based research and medical care through webinars and conferences and include caregiver priorities through surveys.

Engage research, medical, and pharmaceutical communities and pioneer partnerships to prioritize the medical needs of people with Down syndrome.

Our Story

The LuMind IDSC Growing Opportunities (GO!) Fund was established in celebration of our 15th Anniversary to support emerging research priorities, build responsive community resources for caregivers, and further groundbreaking work in Down syndrome research.

This fund will provide annual unrestricted support that can be allocated wherever the need is greatest to advance our mission.
